Process	Source
JCIDS	JCIDS Manual 12 February 2015, including errata as of 12 June 2015
ISP	Joint Interoperability Test Command Interoperability Process Guide (IPG), Change 1 April 2014

Process	Notes	
JCIDS	Optional or Required *	Where indicated JCIDS will accept either the Service View or the System View
	Required **	Where not required by JCIDS, AFSPC has determined it is appropriate to require development of these views.
ISP	Conditional	See IPG paragraph 11 for details on when these views are needed to support interoperability certification
